This book is a collection of personal essays from autistic adults about their experiences with autism and life. The essays are honest, raw, and inspiring, and they offer a unique insight into the lives of autistic people.

The essays in this book cover a wide range of topics, including:

- The challenges of growing up autistic
- The joys and sorrows of living with autism
- The importance of self-acceptance and self-advocacy

- The power of community

This book is a must-read for anyone who is interested in learning more about autism. It is also a valuable resource for autistic people and their families.
