

# Being Jewish in America in the Age of Trump: An Exploration of Identity, Politics, and Faith

The election of Donald Trump as president of the United States in 2016 sent shockwaves through the American Jewish community. Trump's campaign was marked by rhetoric that many Jews found offensive and divisive, and his policies have been seen as hostile to Jewish interests. As a result, many Jewish Americans have been left feeling anxious and uncertain about their place in American society.

Being Jewish in America in the Age of Trump is a timely and important book that explores the experiences of Jewish Americans during the Trump presidency. The book features essays by a diverse group of Jewish writers, who share their personal stories and reflections on how Trump's presidency has affected their lives and their sense of identity.

**The essays in Being Jewish in America in the Age of Trump are divided into three sections:**

1. **Identity:** This section explores the ways in which Trump's presidency has challenged and affirmed Jewish identity. Some of the essays in this section discuss the rise of antisemitism in the Trump era, while others explore the ways in which Jewish Americans have found strength and solidarity in their shared experiences.
2. **Politics:** This section examines the impact of Trump's policies on the Jewish community. Some of the essays in this section discuss the Trump administration's tax cuts, which have disproportionately benefited wealthy Jews, while others explore the administration's immigration policies, which have made it more difficult for Jewish refugees to seek asylum in the United States.
3. **Faith:** This section explores the ways in which Trump's presidency has affected Jewish faith and practice. Some of the essays in this section discuss the ways in which Trump's rhetoric has alienated Jewish Americans from their faith, while others explore the ways in which Jewish Americans have found solace and comfort in their faith during this challenging time.

**The essays in Being Jewish in America in the Age of Trump are deeply personal and moving.**

They offer a unique and valuable perspective on the experiences of Jewish Americans during this tumultuous time in American history. The book is a must-read for anyone who is interested in understanding the impact of Trump's presidency on the Jewish community.

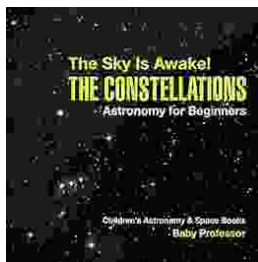

Being Jewish in America in the Age of Trump is a powerful and important book that sheds light on the experiences of Jewish Americans during a time of great uncertainty and change. The book is a valuable resource for anyone who is interested in understanding the impact of Trump's presidency on the Jewish community and on American society as a whole.
