The contributors to **Loud Hands** come from all walks of life. They are students, teachers, artists, activists, and more. They share their experiences of autism in their own words, offering a diverse and nuanced perspective on what it means to be autistic.

Some of the essays in **Loud Hands** are funny, some are heartbreaking, and some are both. But all of them are honest and insightful. They offer a glimpse into the minds of autistic people and help us to understand their unique perspectives.

The essays in **Loud Hands** are divided into four sections: "Identity," "Relationships," "Education," and "The Future." Each section explores a different aspect of the autistic experience. The essays in "Identity" discuss what it means to be autistic and how autistic people can find their place in the world. The essays in "Relationships" explore the challenges and rewards of relationships for autistic people. The essays in "Education" discuss the unique educational needs of autistic people. And the essays in "The Future" look ahead to the future of autism acceptance and inclusion.

Loud Hands is an essential read for anyone who wants to learn more about autism. It is a powerful and moving book that will change the way you think about autism.

About the Editor

Julia Bascom is an autistic writer, editor, and advocate. She is the founder of the Autistic Self Advocacy Network (ASAN) and the editor of several books on autism, including **Loud Hands** and **Disability Visibility**.

Bascom is a passionate advocate for the rights of autistic people. She has testified before Congress on autism issues and has written extensively about the need for autism acceptance and inclusion.

Bascom's work has helped to change the way the world thinks about autism. She is a leading voice in the autistic community and her work is essential reading for anyone who wants to understand the autistic experience.
