Synopsis

Outback Sky is a sweeping historical novel that tells the story of a young pilot who falls in love with two sisters in the Australian outback. Set against the backdrop of World War II, the novel follows the pilot, Harry, as he navigates the complexities of love, loss, and redemption.

Harry is a young man who has always dreamed of flying. When war breaks out, he enlists in the Royal Australian Air Force and is sent to the outback to train. There, he meets two sisters, Mary and Kate, who are both nurses. Harry is immediately drawn to the sisters, and they soon fall in love.

However, their love is not without its challenges. Mary is engaged to another man, and Kate is struggling with the loss of her fiancé. Harry must also contend with the dangers of war, as he is sent on dangerous missions over enemy territory.

Despite the challenges, Harry and the sisters' love for each other grows stronger. They find solace in each other's arms, and they help each other to heal from their wounds.

Outback Sky is a beautifully written and emotionally resonant novel that explores the power of love, loss, and redemption. It is a story that will stay with you long after you finish reading it.

About the Author

Outback Sky is the debut novel of Australian author Fiona Palmer. Palmer has always been fascinated by the Australian outback, and she has spent many years researching the history of the region. She has used her knowledge of the outback to create a vivid and authentic setting for her novel.

Palmer is a gifted storyteller, and she has a knack for creating characters that readers can relate to. Harry, Mary, and Kate are all complex and well-developed characters, and readers will find themselves rooting for them from the very beginning.
