Book description

A detailed examination of the Canadian Army's operations in Northwest Europe during the Second World War, this book provides a comprehensive analysis of the challenges and successes faced by the Canadians as they fought their way through France, Belgium, the Netherlands, and Germany.

From the publisher

In the summer of 1944, the Canadian Army landed in Normandy as part of the Allied invasion of France. Over the next ten months, the Canadians fought their way through France, Belgium, the Netherlands, and Germany, playing a significant role in the Allied victory in Europe. Reinforcing the Canadians in Northwest Europe, 1944-45 provides a detailed examination of the Canadian Army's operations during this period.

The book begins with an overview of the Canadian Army's role in the invasion of Normandy. It then examines the fighting in the Normandy countryside, the liberation of Paris, and the Battle of the Scheldt Estuary. The book also covers the Canadian Army's participation in the Rhineland campaign, the liberation of the Netherlands, and the final push into Germany. Throughout, the book provides a detailed analysis of the challenges and successes faced by the Canadians. It also includes a number of maps and illustrations.

Reinforcing the Canadians in Northwest Europe, 1944-45 is an essential resource for anyone interested in the Canadian Army's role in the Second World War.
