Introducing Natalie, a woman grappling with a past that refuses to stay buried. When her abusive ex-husband, Jack, is released from prison, Natalie's carefully constructed world begins to crumble. Driven by an insatiable obsession with her, Jack sets his sights on reclaiming her, no matter the cost.

As Natalie desperately tries to escape Jack's clutches, she uncovers a chilling secret: he is not the man she once knew. He has evolved into a

dangerous and manipulative predator, capable of unimaginable cruelty. Fear becomes her constant companion as she realizes that Jack will stop at nothing to possess her.

With each passing day, the line between reality and delusion blurs for Natalie. The more she tries to protect herself, the more she becomes entangled in a deadly web of lies and manipulation. Friends and family doubt her sanity, and the authorities seem powerless to intervene as Jack's grip tightens.

As the stakes rise, Natalie must confront her own demons and find the strength to fight back against the relentless pursuit of a madman. But can she outwit a master manipulator who knows her every weakness?

Lisa Unger expertly weaves a tale that explores the complexities of obsession, the fragility of memory, and the enduring power of fear. "The Rest Will Kill" is a gripping psychological thriller that will haunt your thoughts long after you finish its chilling pages.
