Case Studies: Real-World Business Dilemmas

To bring these abstract concepts to life, the book presents a series of thought-provoking case studies that showcase the complexities of ethical decision-making in real-world business scenarios. Readers are invited to step into the shoes of business leaders facing difficult ethical choices, and to grapple with the consequences of their decisions. These case studies offer a hands-on approach to understanding the practical application of business ethics.

Ethical Decision-Making Framework

Miles goes beyond merely presenting ethical dilemmas; she provides readers with a practical framework for ethical decision-making. Through step-by-step guidance, she helps readers identify ethical issues, analyze stakeholders' interests, evaluate alternative courses of action, and make morally sound choices. This framework equips readers with the tools they need to navigate the ethical maze of the business world.

Business Ethics in a Global Context

In today's interconnected global economy, business ethics extend beyond national borders. Miles explores the ethical challenges posed by globalization, such as cultural differences, supply chain transparency, and international labor practices. She examines the responsibilities of businesses to operate ethically in a diverse and interconnected world.

Key Features of "Moral Issues In Business":

- Comprehensive coverage of business ethics principles and implications
- Engaging case studies that bring ethical dilemmas to life

- Practical framework for ethical decision-making
- Analysis of ethical challenges in a global business context
- Accessible writing style that appeals to both business professionals and students

Who Should Read "Moral Issues In Business"?

"Moral Issues In Business" is an indispensable resource for:

- Business leaders and managers seeking to enhance their ethical decision-making skills
- Students of business, management, and ethics seeking a comprehensive understanding of business ethics
- Entrepreneurs and business owners looking to establish a culture of integrity and ethical conduct
- Anyone with an interest in the ethical challenges and responsibilities of businesses in society
