In this comprehensive guide, we present you with an extensive collection of 80 East Facing 2BHK House Plans that are meticulously designed according to Vastu Shastra. These plans offer a comprehensive solution for creating a home that resonates with the principles of this ancient wisdom. By choosing one of these plans, you can ensure that your home becomes a sanctuary of peace, prosperity, and positive energy.

Understanding East Facing 2BHK Houses

East facing homes are highly regarded in Vastu Shastra, as the east direction is associated with the rising sun, new beginnings, and positive energy. It is believed that homes facing east receive an abundance of sunlight and cosmic energy, which helps to create a vibrant and uplifting atmosphere.

2BHK houses are ideal for small families, couples, or individuals seeking a compact and functional living space. These houses typically feature two bedrooms, a living room, a kitchen, a bathroom, and a balcony or terrace. By incorporating Vastu principles into the design of a 2BHK house, you can optimize the space and create a home that is both comfortable and harmonious.

Benefits of Vastu Compliant Homes

Living in a Vastu compliant home offers numerous benefits that go beyond aesthetics and physical comfort. Some of the key advantages include:

- **Enhanced health and well-being:** By ensuring the proper flow of energy through the home, Vastu Shastra promotes good physical and mental health.
- **Improved relationships:** Harmonious spaces created by Vastu principles foster positive interactions and strengthen relationships within the family.
- **Increased success and prosperity:** The placement of rooms and objects according to Vastu guidelines helps to attract success, abundance, and career growth.
- **Reduced stress and anxiety:** A well-designed Vastu compliant home creates a calming and serene environment, reducing stress levels and promoting relaxation.
- **Spiritual growth:** Vastu Shastra is rooted in Vedic principles and spiritual beliefs, and living in a Vastu compliant home can support spiritual development.

Key Vastu Principles for East Facing 2BHK Houses

When designing an East Facing 2BHK house according to Vastu Shastra, it is essential to consider the following key principles:

- **Main Entrance:** The main entrance should be located in the center or on the east side of the house. It should be spacious and well-lit, as it is considered the entry point for positive energy.
- **Bedrooms:** The master bedroom should be located in the southwest corner of the house, while the children's bedroom can be in the southeast corner. Bedrooms should be designed to ensure privacy and promote restful sleep.
- **Living Room:** The living room should be in the northwest corner of the house, and it should face east to receive ample sunlight and positive energy.
- **Kitchen:** The kitchen is the heart of the home, and it should be in the southeast corner. It should be well-ventilated and have proper lighting.
- **Bathrooms:** Bathrooms should be located in the northeast corner of the house, ensuring proper drainage and avoiding negative energy accumulation.
